

# NEW FEATURES

## WHITE

**2010 Castello Di Neive "Montebertotto"** (Lange, Italy) Arneis 40.

*A new Renaissance of Piedmont white grapes over the past 30 years has brought Arneis into the forefront. The color of straw yellow with hints of green, having a floral & delicate aroma into a cool sensation with a finish of something slightly almond on your palate makes this diamond in the rough great with a light appetizer, fish and pasta.*

Bin #196

## RED

**2010 Chateau de Saint Cosme Cotes-du-Rhone (Rhone)** 50.

*This producer has made some great Cotes-du-Rhone this one might be his best! The fruit is held to the highest quality. The wine is round with a deep colour, while flavors of strawberry compote, liquorish, hints of lilac flowers, and the traditional minerality of Rhone make this wine a pleasure for anybody.*

## Unique Red

- 691      2009    **Raphael** Cabernet Franc (North Fork, Long Island)      35.  
*Cabernet Franc one of the traditional Bordeaux grapes grows exceptionally well on Long Island. The wine exhibits dark black fruit such as cassis and black cherries, with an aroma of violets, rosemary & finishes with soft tannins showing this wine to be both elegant and well balanced.*
- 690      2007    **Schneider “Le Breton”** Cabernet Franc (North Fork, Long Island)      50.  
*Medium-bodied and elegant with an alluring nose of fresh raspberry & cherry with some spice and lots of deliciously funky earth. Oh what a nose! On the palate, the wine is nicely balanced and a little rustic with the flavors in the nose echoed on the palate. The finish is fresh and dry, ending nicely.*
- 689      2006    **Viñedo de los Vientos “Angel’s Cuvée”** Tannat (Atlántida, Uruguay)      85.  
*Produced in the ripasso style (think Amarone), this limited-production bottling is undoubtedly the greatest wine to emerge from Uruguay. The color is brilliant opaque crimson, and the nose offers red plums, blackberries, cassis, figs, blueberries, and hints of raisins. There’s deep and rich woody forest floor notes, truffles, and rhubarb. On the palate, the deep fruit flavors of the nose come across with hints of Asian spice, cumin, and enchanting woody, earthy forest notes with a hint of eucalyptus. The flavors are dark, rich and round, the tannins are well integrated, and the wine is impeccably balanced.*
- 685      2007    **Trincherro “Central Park West Vineyard”** Petit Verdot (St. Helena, Napa)      95.  
*This wine has a deep inky purple color and is wonderfully aromatic with violets, lavender, red plums, cherries and roasted coffee notes. On the palate, the wine is velvety with luscious plum, cherry & cassis, hints of spice & tobacco leaf. As 100% Petit Verdot, you really get a sense of the power of this varietal and the valley floor location of this vineyard with its optimal sun exposure and rich soils allow the tannins to develop nicely giving the wine excellent structure & balance.*
